Small Steps Toward Being Prepared for an Emergency

## 12 months, 12 things

Visit [www.do1thing.com](http://www.do1thing.com) each month. Choose one thing to do for that month. Do that one thing. By the end of the year you and your family will be better prepared for an emergency.

The calendar repeats every year, so you can start anytime.

*We all want to be better prepared for emergencies and disasters. Emergency preparedness is a big job, so many people never get started.*

Do1Thing is a program that makes preparing easier by helping people take small steps each month toward becoming better prepared for emergencies or disasters.

# Why Do 1 Thing?

Because you are the only one who can ensure your own safety and the safety of your family in a disaster.

Because disasters change things: you may not have things that you take for granted every day (electricity, water, cell phones, grocery stores, rapid emergency response).

Because if you know that your family is taken care of, you will be better able to help your neighborhood and your community.

Because every step you take in becoming prepared will help first responders, your loved ones, and others in your community.

## Do More Things!

Your group can help promote the Do1Thing program! Sign up in our Partner Portal to share tips and best practices, and see how easy it has been for other groups to help spread the message of Do1Thing.
